

Collagen Booster

Erica Collagen Booster uses an advanced 4D mesh matrix of liquid PCL to naturally spread through the skin, stimulating collagen production for youthful volume and firmness — without sagging, irritation, or downtime.

Experience natural, gradual rejuvenation and a safe alternative to fillers with visible results after just one treatment.

- ***Collagen Regeneration***
- ***Wrinkle Reduction***
- ***Skin Firmness***
- ***Lifting Effect***
- ***Volumizing***
- ***Non-Surgical***
