

Glow Beyond the Surface with Glass Skin Technology

Glass Skin

Axo Bio's Glass Skin Booster delivers intense radiance care through a synergistic blend of 15 peptides, 17 amino acids, and moisture-locking ingredients like Sodium Hyaluronate and Niacinamide.

Clinically tested for skin hydration with 18% improvement immediately after treatment, this hybrid booster supports glow, skin firmness, and purification — all with no irritation.

- **Hydration**
- **Glow**
- **Pore Refinement**
