

Stem Cell Daily Care Cream

Erica Stem Cell Cream contains Human Stem Cell conditioned media 50,000PPM. Rich in bioactive growth factors, this luxurious cream helps restore skin health, reduce fine lines, and boost elasticity while reducing oxidative damage and improving signs of aging.

Perfect for daily use, it enhances skin resilience, supports scar healing, and restores vitality, making it a go-to after microneedling, laser or as a hydrating daily essential

- **Scar & Spot Support**
- **Deep Hydration**
- **Daily Strengthening**
- **Regeneration**
- **Anti-Aging**
- **Elasticity Restoration**

Take Your Results Further at Home.
