

Ultra Firming Essence

Powered by a high-concentration blend featuring Riboflavin (Vitamin B₂) and premium fat-dissolving components, this essence supports natural lipolysis, helping to reduce sagging, double chin, and localized fat for firmer contours—all with no pain, swelling, or downtime.

Lightweight yet powerful, it absorbs quickly to smooth texture and hydrate deeply while promoting a visibly lifted, more defined appearance—even after one treatment.

- **Contour Sculpting**
- **Lifting Effect**
- **Fat Dissolution**
- **Skin Tightening**
- **Hydration Boost**
- **Non-Invasive**
